It is said that phoenix is the envoy of happiness of the world. Every five hundred years, it bathes in fire and rejuvenates. Its feathers are more abundant. Its sounds are clearer. Its appearance is more vivid. It becomes a beautiful, brilliant and eternal fire phoenix. By using the description that phoenix "collects sandalwood to burn itself and rejuvenates in the dead ashes", symphonic ballet "Phoenix Nirvana" makes us easily feel the intense conflicts and the soul of heroic and beautiful from the bright music colors and dance images. In the dance and music, we can find self experience, or rotation of life time, or transformation of life. With all filth and ugliness of the past, the phoenix throws itself into raging flames, so as to obtain the fresh renaissance by putting an end to its life. It's rightly the course of history as well as the trace of life!

传说中，凤凰是人间幸福的使者，每五百年，浴火新生，其羽更丰，其音更清，其神更髓，成为美丽辉煌永生的火凤凰。交响芭蕾《凤凰涅槃》借凤凰“集香木自焚，死灰中更生”，从鲜明的音乐色彩和舞蹈形象里，我们不难感受到激烈的矛盾冲突，不难感受到获得升华的壮烈与华美。我们可以在舞蹈和音乐中发现自我体验，或是时世的轮转，或是人生的蜕变。凤凰背负旧时所有的污浊与丑恶，投身于熊熊烈火，以生命的终结换取鲜美的新生。这不就是历史的进程，人生的轨迹吗！
